Permission To Photograph Materials

Full Name (please print): _____

Position/Title: _____

Institution: _____

Address: _____

E-Mail Address: _____

Topic of Research: _____

Type of Project (article, book, research, etc.): _____

I understand that permission to photograph Harvard University Herbaria/Botany Libraries material, of any sort, if granted, does not include permission to publish the contents, or parts thereof, of the material. A separate written application to obtain permission to publish must be made through the Harvard University Herbaria/Botany Libraries. Permission is required for any of our materials used in a book, article, doctoral dissertation, presentation, or any other work in any medium that is to be made public.

I agree that the reproduction is to be made solely for my convenience in examining the material; that the reproduction will not itself be reproduced; and that it will not be examined by or transferred to any other person or institution without the prior written permission of the Director of the Harvard University Herbaria/Botany Libraries.

In consideration of my being granted permission to photograph the items listed below, on the terms set forth above, I agree to indemnify and hold harmless the University, its officers, employees, and agents from and against all claims made by any person asserting that he/she is an owner of the copyright.

Requestor's Signature: _____ Date: _____

Material Description:

For the library this may include call number, title, list of plates, archives number & collection information.

For the herbaria this may include number of images, collector, coll. number, barcode, locality, & other information about the specimen.
