"Glass Flowers in the Ware Collection"

Botanical Museum

Location: Publications, box 1

Photographs of botanical specimens and moth specimen.

1963 [2 February]

Clark, Sylvia E.

"Collection of Plants and Flowers Will Never Fade-It's of Glass"

Willmar Daily Tribune

Location: Publications, box 1

1963 [10 February]

Riley, Arthur

Sound Waves Make Pile Driver Quiet, Faster

Boston Sunday Globe

Location: Publications, box 1

1963 [September]

"Sonic Pile Driver Reduces Vibration"

Civil Engineer in South Africa

Location: Publications, box 1

1963 [2 February]

Clark, Sylvia E.

"Collection of Plants and Flowers Will Never Fade-It's of Glass"

Lewiston Auburn Journal [ME]

Location: Publications, box 1

1963 [3 February]

Clark, Sylvia E.

"Collection of Plants and Flowers Will Never Fade-It's of Glass"

Press Register [Mobile, AL]

Location: Publications, box 1

1963 [19 February]
Clark, Sylvia E.
"Collection of Plants and Flowers Will Never Fade-It's of Glass"
Location: Publications, box 1

1964
Hall, Elizabeth, and Max Hall
"About the Exhibits"
Museum of Comparative Zoology
Location: Publications, box 1
Map of the museum.

1964 [9 June]
Bibb, June
"Glass Flowers in Rare Display"
Christian Science Monitor
Location: Publications, Oversized box 1
Photographs of apple blossom and iris.

1964 [2 May]
"The University Museum"
Harvard Alumni Bulletin
Location: Publications, box 1
Photographs of botanical specimens and outside of the museum as well as photographs of other collections in the museum.

1965 [June]
G.W.D.
"Speaking Orchid-wise"
American Orchid Society Bulletin
Location: Publications, box 1

1966 [6 January]
"Brass Tacks"
Franklin Sentinel [MA]
Location: Publications, Oversized box 1

1966 [25 November]
Sanford, Jean
"Family Outing"
Providence Evening Bulletin
Location: Publications, box 1
Photographs of botanical specimens.

1967 [October]
Schultes, Richard Evans
"Harvard's Everblooming Garden in Glass"
Canadian Antiques Collector

Location: Publications, box 1
Publications 1968-69

1968 [March]

Tijmens, William J.

"Die Glasblomme Van Harvard"

Lantern: Journal of Knowledge and Culture

Location: Publications, box 1

Photographs of botanical specimens, moth and bee specimens.

1968 [2 March]

Hubbard, Clarence T.

Atlanta Journal
Location: Publications, box 1

1968
Uschmann, Georg
"Die Naturgeschichte Des Biologischen Modells"
Neue Folge
Location: Not at Harvard

Publications 1970-1979

1970 [January]
"American Association for the Advancement of Science Exhibit"
Biomedical News
Location: Publications, Oversized box 1
Photographs of *Odontoglossum grande* (Lindley).

1970 [February]
Kaltenbach, Faith
"The Glass Flowers, A Unique and Beautiful Plant Collection"
Horticulture
Location: Publications, box 1
Photographs of Louis Bierweiler, and Rudolf Blashka.

1970
Davis, William A.
"Harvard's Glass Flowers- How They Came About"
Annual Bulletin of the Paperweight Collectors Association
Location: Publications, box 1
Photographs of Leopold Blashka, Rudolf Blashka, Dr. Charles Ware, Elizabeth C. Ware, Louis Bierweiler.
Also images of glass nosegay, and 4 unidentified specimens (these include *Echinocereus englmanii*,
Aspergillus herbariorum, *Nymphaea odorata*).

1970
Sutton, S. B.
Charles Sprague Sargent and the Arnold Arboretum
Location: Botany Arnold - QK31.S15 S9

1971 [11 July]
Sinha, Ajai
"The Harvard Glass Flowers"
Illustrated Weekly of India
Location: Publications, Oversized box 1
Photographs of glass pigeon grass, rhododendron, cactus, golden pippin apple, and baby orchid.

1971 [January]

de Sabat Pebet, Matilde G.

"El Museo de las Flores"

El Dia

Location: Publications, Oversized box 1

Photographs of outside of Botanical Museum and specimens *Echinocerus englmanii*, *Aspergillus herbariorum*, *Nymphaea odorata*, *Lopezia coronata* (with bee), and *Camelia sinensis* (mounted on herbarium sheet).

1972 [13 January]

Blackwell, Anne

"From the Greenhouse: A Visit to the Glass Flowers"

Ridgefield Press

Location: Publications, Oversized box 1

Images of glass chicory and cowslip.

1972 [February/April]

Ware, Mary Lee

"Leopold and Rudolph Blaschka - Glass Gardeners"

Glass Club Bulletin

Location: Publications, box 1

Photographs of *Kalmia latifolia*, *Oxalis valdiviensis* (with bee), *Paphiopedilum insigne*, *Centaurea cyanus* (with moth), and Rudolph Blaschka (1936).

1972 [5 April]

"Booms Break Glass Flowers"

My Weekly Reader [Children's Newspaper]

Location: Publications, Oversized box 1

Photographs of unnamed specimens.

1972

"Harvard Glass Flowers"

Packaging Progress

Location: Publications, Oversized box 1

Photographs of *Lopezia* (with wasp), Pigeon Grass, Colombine, Marsh Marigold, Cactus, Common Chicory, Rhododendron, Sundew. Plus many unidentified cover images.

1972 [9 June]

"Harvard's Hundred Years of Botany"

Nature

Location: Publications, box 1

Photograph of *Oxalis valdiviensis* with *Halictus calceatus*.

1972 [17 August]

"The Tourists: Why Do They Come Here and What Do They Do?"

Cambridge Chronicle

Location: Publications, Oversized box 1

Photograph of the glass flower display cases.

1972 [5 April]
"Glass Flowers"
Teacher's Edition of My Weekly Reader [Children's Newspaper]
Location: Publications, Oversized box 1
Photograph of display cases in museum.

1972 [22 September]
Photo with Caption only
Harvard University Gazette
Location: Publications, box 1
Photograph of children's letters on the glass flowers.

1973 [5 December]
"Tyler [Arboretum] to Hear of Harvard Glass Flowers"
County Leader
Location: Publications, box 1
Photograph of unidentified specimen.

1974 [November]
Hall, Elizabeth and Max Hall
"The Glass Menagerie"
Harvard Magazine
Location: Publications, box 1
Photographs of echinoderms, coelenterates, annelids, and mollusks. No flower images.

1975 [February]
Gong, Elizabeth
"Fragile Flowers"
Flower and Garden
Location: Publications, box 1

1975 [30 June]
Guide to Harvard Museums
Harvard University
Location: Publications, box 1

1975 [9 December]
Rist, Susan
"Glass Flowers in Bloom at Harvard Museum"
Christian Science Monitor
Location: Publications, Oversized box 1
Photograph of *Browallia viscosa* and William Davis looking at glass flower display cases.
Publications 1976-79

1976
Reed, Christopher
"A Delicate Journey for a Garden in Glass"

Harvard Today, President's Report Issue

Location: Publications, Oversized box 1

Photograph of water lily and of William Davis and Richard Evans Schultes in the display area.

1976

"Weed Science- New Weapons for Farmers"

Cyanamid International Newsletter

Location: Publications, box 1

Photograph of *Carmelia sinensis* mounted on herbarium sheet.

1976 [March]

Reed, Christopher

A Garden in Glass

Harvard Magazine

Location: Publications, box 1

Photographs of William Davis and Richard Evans Schultes in the display area, Leopold Blaska and Rudolf Blashka. Photographs of *Acer rubrum*, *Kalmia latifolia*, and *Stigmaphyllon ciliatum* all mounted on herbarium sheets. Also photographs of *Setaria lutescens*, *Centaurea cyanus* (with moth), *Campsis radicans*, and *Malus pumila*.

1976 [1 March]

Gormley, Robert

"Glass Flowers to Show in New York"

Harvard Crimson

Location: Publications, box 1

Photograph of the display cabinets.

1976 [5 March]

"Shipping Flowers? No Sweat, Unless They're Glass."

Harvard University Gazette

Location: Publications, Oversized box 1

Photographs of William Davis and Laurence Doherty transporting specimens in hearses and planes.

1976 [8 March]

McFadden, Robert

"Blaschka Plants Blend Science and Artistry"

New York Times

Location: Publications, Oversized box 1

Photographs of pitch pine, glory bush, pipewort, and strawberry.

1976 [10 March]

"Glass Flowers from Harvard"

Exhibition Announcement, Steuben Glass

Location: Publications, box 1

Photograph of *Rhododendron*.

1976 [5 June]

La Brecque, Richard T.

"Harvard's Glass Flowers- Cool Petalsthat Delight Forever"

Patriot Ledger

Location: Publications, Oversized box 1

Photographs of William Davis and Richard Evans Schultes in the display area.

1976 [1 January]

Lindsay, Martin

"The Flowers that Never Fade"

Country Life

Location: Publications, Oversized box 1

Photographs of bouquet, red maple, northern panicum grass, Kalmia latifolia, Catalpa bignonioides, Houstonia caerulea, Leopold Blashka, and Rudolf Blashka.

1977

Lamb, Elizabeth Searle

"Viewing Harvard's Glass Flowers" [poem]

Cicada

Location: Publications, box 1

1977 [6 May]

Scheffel, John C.

"Four Museums Will Charge Admission"

Harvard Crimson

Location: Publications, Oversized box 2

1977 [June]

Manning, Malcolm

"The Ware Collection of Glass Flowers at the Fogg Museum in Cambridge" [poem] Location: Publications, box 1

1977 [July]

Cover Illustration

Comprehensive Therapy [Journal for Continuing Medical Education]

Location: Publications, box 1

Unlabeled specimen on cover.

1978

Langton, Jane

The Memorial Hall Murder

Location: Publications, box 1

1978 [30 October]

Kessler, Catharine, G., and Henry D. Russel

"Leopold and Rudolph Blashka's Nudibranch Glass Models"

The Nautilus

Location: Publications, box 1

Photographs of Glaucus longicirrhus, Bornella arborescens, Facelina coronata, and Miamera nobilis.

1978 [23 February]

Powers, Barbara Lillard

"Everblooming for the Past 88 years- No Matter What the Weather, These Flowers are Blooming and These Fruits Ready to Eat"

Cambridge Chronicle

Location: Publications, Oversized box 2

Photographs of barberry (with bee), mountain laurel, water lily, strawberry, and mold.

"New Book on Harvard's Glass Flowers to be Published"

Plant Sciences

Publications, box 1

Photograph of William Davis working with specimens.

1983

Parke, Margaret

"The Glass Flowers of Harvard's Botanical Museum"

Endeavour

Location: Publications, box 2

Photographs of Eurotium herbariorum, Salvinia natans, Nepenthes sanguinea, Lilium canadense, Iris versicolor, Pancium boreale, Kalmia latifolia, Centurea cyanus with Zygaena, Echinocereus engelmannii, Solidago canadensis, and William Davis with Hibiscus clypeatus.

1984

Schwammer, Harald

"Berichte und Bemerkungen, Kostbarkeiten aus Glas"

Neue Museumkunde

Location: Publications, box 2

Photographs of Carmarina hastata, Cotylorhiza tubercula, Aurelia aurita, Dyphes quadrivolis, Anthea cereus, Autolytus cornutus.

1984 [3 May]

Morgenroth, Lynda

"A Guide to Flowers in Glass"

Boston Globe Calendar Magazine

Location: Publications, Oversized box 2

Photograph of Camellia sinensis.

1984 [18 June]

Golden, Daniel

"Arts that Time has Taken From Us"

Boston Globe

Location: Publications, Oversized box 2

Photograph of Aristolochia elegans and Portlandia grandiflora.

1984

Parke, Margaret

"The Glass Flowers of Harvard"

Fresno Bee

Location: Publications, Oversized box 2

Photographs of Nymphae odorata, Nepenthes sanguinea, Camellia sinensis, and Echinocereus engelmannii.

1984 [3 December]

Kenney, Richard

"Rose" [poem]

New Yorker

Location: Publications, box 2

Publications 1985-89

1986

Joost, Wolfgang

"Marine Invertebraten aus Glas, BLASCHKA Modelle im Museum der Natur Gotha"

Abhandlungen und Berichte des Museums der Natur Gotha

Location: Publications, box 2

Photograph of strawberry and orchid.

1986

"A Touch of Glass"

National Geographic World

Location: Publications, Oversized box 2

Photograph of strawberry and orchid.

1987 [6 April]

Frazier, Nancy

"Uncommon Museums"

Christian Science Monitor

Location: Publications, box 2

Photograph of Indian pipes.

1987 [19 May]

Ware, Leslie

"Forever Flowers of Glass and Magic"

Audubon

Location: Publications, box 2

Photographs of *Lilium canadensis*, *Salix cinerea*, *Eschveria secunda*, *Hepatica tribola*, *Lupinus mutabilis*, *Lathyrus splendens*, *Fragaria vesca*, *Eucalyptus globulus*, *Echinocereus engelmannii*, *Nepenthes sanguinea*.

1987 [25 August]

Bezdek, Michael

"Harvard's Flowers"

Lowell Sun

Location: Publications, Oversized box 2

Photograph of Indian pipe.

1987 [1 November]

Bezdek, Michael

"Flower is Fragile Because it's Glass"

Daily News [Woodland Hills, CA]

Location: Publications, Oversized box 2

Photographs of *Lopezia* and tea plant.

1987 [8 November]

"Glass Garden"

Gastonia Gazette [NC]

Location: Publications, Oversized box 2

Photographs of water lily, tea plant, vegetable sponge, and tiger lilies.

1988 [1 May]

"Renewal Plan for Glass Flowers Bloom"

OEBserver [Dept. of Organismic and Evolutionary Biology, Harvard University]

Location: Publications, box 2
